“ A perfect day would be experiencing something new with my family.

Jackie joined the firm in 2013 as a receptionist. Since joining the firm, Jackie has grown into an administrative assistant role, supporting two partners and a host of managers. Her efficiency and attention to detail help her solve problems for clients and facilitate needs of staff. She continually works closely with the staff on learning new processes as well as gaining experience and knowledge in the accounting industry. Prior to joining the firm, Jackie worked for a law firm and then was a stay-at-home mom to three children.

Outside The Office

Jackie spends most of her time with her husband and three children. In addition, she enjoys traveling with her family to new destinations. Her favorites so far have been Italy and California!
